B. Submitting Comments.

Please include Docket ID **NRC-2015-0046** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that

they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* "Billing Instructions for NRC Cost Type Contracts."
2. *OMB approval number:* 3150-0109.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* None.
5. *How often the collection is required or requested:* Monthly and on occasion.
6. *Who will be required or asked to respond:* NRC Contractors.
7. *The estimated number of annual responses:* 1506.
8. *The estimated number of annual respondents:* 41.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 752.
10. *Abstract:* In administering its contracts, the NRC provides billing instructions for

its contractors to follow in preparing invoices. These instructions stipulate the level of detail in which supporting data must be submitted for NRC review. The review of this information ensures that all payments made by the NRC for valid and reasonable costs are in accordance with the contract terms and conditions.

III. Specific Requests for Comments.

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 12th day of March, 2015.

For the Nuclear Regulatory Commission.

Tremaine Donnell,
NRC Clearance Officer,
Office of Information Services.
